

MONTHLY HIGHLIGHTS REPORT

This report provides monthly institutional (Victims Unit, Ministry of Health, National Historical Memory Center and Mayor/Governor's Offices) and Victims Law achievements. Corresponding VISP activities that have contributed to these achievements are included below each achievement.

VISP STRATEGIC OBJECTIVE

Select GOC Institutions, Policies and Systems at the National and sub national levels operationalized for effective implementation of the Victims Law.

VISP projects by status and month

Monthly cumulative project budget allocation in USD

R1. Improved GOC Strategic Management for Victims Law

Ombudspersons' offices renovations and equipment provision

- Supported renovations and equipment provision of 18 Municipal Ombudspersons offices (Riohacha, Dibulla, San Juan del Cesar, Santa Marta, Ciénaga, Fundación, Cartagena, San Juan de Nepomuceno, María La Baja, Necoclí, Turbo, Apartadó, Chigorodó, Quibdó, Bojayá, Río Sucio, Pasto y Samaniego)
- Concluded renovations and equipment provision which will allow Municipal Ombudspersons offices to have a suitable infrastructure to improve victims' attention services

Victims Unit's 2014 Action Plan presentation

- Presented the Victims Unit's 2014 Action Plan, designed by the Planning Office, to national and regional offices
- Next steps include Regional Offices designing regional action plans and objectives, strengthening local-national coordination and decentralization

National Historical Memory Center strategic planning workshop

- Analysis and decision-making meeting to design results planning skills
- Identified and solved communication and coordination barriers between CNMH areas
- Next steps include the presentation of objectives, goals and actions from March 3-4 and the design of performance indicators and benchmarks
- The final result will be published on CNMH's website in March

Medellin Information System

- Supported and delivered the households module that allows registering victims' households requiring attention from Medellin Mayor's Office

Victims Unit's Information System

- Designed and transferred tests of the assessment and registry module that allows evaluating and including victims in the Victims Single Registry (RUV)
- Produced and ceded the management module to the Red Nacional de Información (National Information Network) that allows creating and assigning users to local authorities using VIVANTO

VISP Monthly Highlights 9 - January 2014

Documents guiding victims discussions and participation in Havana

- Provided a document to the High Commissioner for Peace and the GOC's peace negotiation team to guide the fourth point of the peace talks agenda in Havana between the GOC and FARC on victims' issues
- Designed and transferred a document with criteria guiding victims' participation in the peace negotiations

R2. Improved GOC Rehabilitation Services that Strengthen Victims Capacity to improve their wellbeing

Entrelazando strategy training workshop

- Presented the adjustments to the strategy's monitoring and assessment plan, performance indicators and measurement tools, to the Victims Unit's psychosocial attention team, which is responsible for the Entrelazando strategy implementation
- Entrelazando is the strategy designed to reestablish social, community and institutional relations affected by the conflict and recompose social fabric
- Next steps include Entrelazando pilot projects in María la Baja (Bolívar), Libertad (Sucre) and Florencia (Caquetá) and their monitoring and evaluation

R3. Transitional Justice Processes Advanced

Survey presentation: victims' investment preferences

- Supported a work session with consultants to present results of the survey held with victims in Medellín, Popayán, Pasto, Quibdó and Cartagena
- The survey provides diagnosis, profiling and analysis of victims' investment preferences and experiences, as part of the project supporting the Victims Unit's Companion Program to guide investment

Historical memory workshop with victims organizations' in Samaniego (Nariño)

- Provided a workshop with victims of landmines to recover their stories and testimonies
- The project will strengthen the historical memory group of the Universidad Mariana and will produce a historical memory case on victims in Samaniego

R4. Select GOC Institutions and Systems Accommodate the Specific Needs of Ethnic Groups and Women

Participation strengthening workshop with female victims' organizations (regional meetings)

- Provided strengthening workshops to female victims organizations with Fundación Círculos
- The project includes: 39 group meetings, 12 regional meetings and 2 national meetings (January-June 2014)

Project design support

- Supported the design of eight income generation projects benefiting afro descendant communities and victims of the conflict
- Projects are under revision by the National Planning Department (DNP) and will be presented by communities to receive funding through the General Royalties System

Psychosocial recovery workshops by Casa Ensemble with women's collectives "Mujer y Vida" and "ADACHO"

- Provided psychosocial rehabilitation workshops through art and theater with Casa Ensemble and women's collectives "Mujer y Vida" and "ADACHO" in Quibdó (Chocó)
- The process connected female victims of the conflict with different artistic outlets, allowing them to represent the impact and damage suffered and channel it through artistic expressions
- Final results include a cloth doll intervention to portray and represent female narratives of surviving and resisting the conflict, a book of art and a healing kit

Quote

"With the workshops made in Quibdó we started a new alternative to heal through art, seeking also to empower women to reestablish their rights and to actively participate," expressed **María Eugenia Morales**, Victims Unit's Women and Gender Office coordinator
